1 Introduction

Welcome to the "Brand and Label Approval" user manual for IEMS 2.0. This document is developed exclusively for the Rajasthan Excise department staff to manage Brand and Label Approval and all transactions and activities related to Brand and Label.

2 Purpose

This document aims to serve as a comprehensive user manual for the Rajasthan Excise department staff, detailing the functionalities and processes involved in the Brand and Label Approval of IEMS 2.0. This user manual is designed to guide the excise department staff through each step of the process, ensuring a seamless and efficient management of Brand and Label activities.

No part of this document may be reproduced, distributed, or transmitted in any form or by any means, including photocopying, recording, or other electronic or mechanical methods without the prior consent of the directors of Idea Infinity IT Solutions Private Limited.

4 Intended audience

This document is intended for employees (Regular & contract) of the Rajasthan Excise department who are required to perform the activities related to MFG Unit Renewal.

5 Activities Involved

1. Recharge Wallet: The manufacturing unit (Unit, Franchise, and Sublet) recharges the wallet through e-Gras online payment or GRN verification for the approval of its brand and label.
2. Add/Update Details: The main unit (Supplier) logs in and adds/updates the brand and label details with the financial year.
3. Submit Request: The Supplier submits the request for brand and label approval.
4. OIC Verification: The Officer In Charge (OIC) verifies the brand and label approval details and forwards them to the Head Office (HO) for approval.
5. HO Verification: The HO verifies the details and forwards them to the Excise Commissioner for approval.
6. Excise Commissioner Approval: The Excise Commissioner verifies and approves the brand and label request.
7. Approval Letter Generation: Upon approval, the brand and label approval letter is generated.
